

Commercial cleaning with superior service.

## POWER WASHING

- State-of-the-art, hot water, recapturing systems: Cement, Sidewalks, Stucco, Driveways, Courtyards, Patios, Trash Enclosures, etc.
  - Remove dirt, grime, grease, algae, and other hard to remove debris from surfaces in need of thorough cleaning and stain removal
  - Use Rotary surface cleaner to ensure full recapture of water
- 
- Provide service for both commercial and residential— both large and small— using our systems to keep you sparkling!
  - We use environmentally safe agents and **THINK BLUE** and abide by San Diego Municipal Codes
  - Ask us about our other services: janitorial, carpet, tile care
